

John Jay High School

AP Exam Schedule and Important Information - 2021

Administration #1

NOTE: All exams noted will take place in-person at the high school and will be paper and pencil only at this time. A student can elect to take MOST of these exams on-line, at home during Administration #3.

Due to logistical concerns including the ability to access available proctors, we will be able to accommodate any student who would prefer to take the digital exam in lieu of the paper exam (except World Languages and Music Theory). Per the College Board, the French, Spanish, Latin and Music Theory AP exams are not accessible in the digital format/at home during any administration. These exams must be taken on site, at the high school.

Administration #2

NOTE: All English, Social Studies, Computer Science, Biology and Environmental Science AP exams will be administered digitally, at home during Administration #2.

Students who are assigned a digital exam will not have the option of taking an in person, paper exam during any administration. This is because of logistical concerns and the ability to access available proctors.

The AP exam digital app must be downloaded on to a student's laptop in advance of the exam. This app requires a picture of the student examinee. AP Teachers of the below exams will explain this information with their students during class time. Practice answers are available on the app to familiarize students on how to take the exam digitally.

***THE COLLEGE BOARD ASKS THAT STUDENTS SIGN-IN TO THEIR EXAM 30 MINUTES PRIOR TO THE START TIMES NOTED BELOW. THESE TIMED EXAMS WILL BEGIN EXACTLY AT THE TIME NOTED IN THE CHART BELOW. THERE ARE NO EXCEPTIONS.**
