

Dear Parents,

Enclosed in your child's basket are some math and literacy activities that I have put together for you to take advantage of at home during this time. With the stress of the current situation, I have tried to keep things simple and enjoyable. On the top of the materials you will find a calendar that outlines one activity per day for the next 3 weeks. Below the calendar the remaining materials should be in order of which you will use them. Each daily activity should last no more than 15 minutes at the most. Read with your children when you can.

Above all, be there for them and let them feel safe with all the changes around us. If they want to hear their teacher's voice or if you as parents want to chat at all, please feel free to reach out.

My cell # is (518) 572-7080.

My email: [kfarr@longlakecsd.org](mailto:kfarr@longlakecsd.org)

Thank you,

Kami Farr
