PRE-K ENTRANCE PROGRAM CRITERIA

In order for students to successfully participate in our Pre-K program, it is required that all students meet the following behavioral and developmental benchmarks.

Please place a check mark next to each statement below to indicate that the student has achieved these benchmarks:

- | | <u>YES</u> |
|---|--------------------------|
| 1. Child is able to use bathroom independently
(Including dressing, undressing, and cleaning themselves) | <input type="checkbox"/> |
| 2. Child does not require reminders to use the bathroom | <input type="checkbox"/> |
| 3. Child does not require the use of Pull-Ups | <input type="checkbox"/> |
| 4. Child does not require a nap in the afternoon | <input type="checkbox"/> |
| 5. Child can feed themselves independently
(Can use a fork and spoon appropriately) | <input type="checkbox"/> |

I verify that my child can demonstrate the above listed behavioral and developmental benchmarks. I understand that my child must demonstrate the above criteria during normal school hours in order to remain in the full day Pre K program.

Child's Name

Parent / Guardian Signature

Date

****Please note: A child's inability to demonstrate the above behavioral and developmental benchmarks does NOT indicate developmental delay. Demonstration of the above criteria indicates the developmental maturity which is necessary for a child to remain in the school setting during normal school hours.***
