Sye (left early for practice)

Angel (left early for practice)

- Concessions

We need more volunteers for this. Syana and Ravyn have been picking up the slack.

So far we have raised \$348.50 (minus the cost of pizza)

We may sell food (chips and candy bars) during baseball games. We will have candy left over to sell.

- Valentines Day Carnation Sales

Kelsie will order these from Anne at Cabin Fever in Tupper. The hearts are the 'form' this year. Students will give people a heart and ask them to have it back by February 12. We will put the tags on the flowers on the morning of the 13th and 14th. We purchase these flowers for \$0.98/We are selling them for \$2 each.

- LLCSD Apparel Sale

We are working with Jules at Hosses for this sale. The price will be \$25-\$30. We will most likely make a big order so they can potentially be sold through next year.

- Possible spring fundraiser

The group decided that a car wash would be a good money maker. We would like to set this up April 25th at the Town Hall. Kelsie will contact Alex.

- Other ideas for S.C. events?

We will work on coordinating Field Day or mock Olympics during the first week of June. Proposed date: June 5th. This may include a kick ball game with mixed groups.

- Prom

It will be held at Gore again this year. The tickets will be \$35/each. Student council pays for a percentage of the cost. This is for grades 9-12.
