**Marco F. Pochintesta, Ed.D.**  
Superintendent of Schools

December 21, 2020

Dear Pearl River School Community,

Since Wednesday, December 16, we have had seven new positive cases of COVID-19 in the District: three staff members and one student at PRHS; two students at Lincoln Ave. School; and one student at Franklin Ave. School. After consultation with the Rockland County Department of Health (RCDOH), the three elementary school cases and the high school student case did not result in anyone being quarantined as the four students were not in school during the infectious period. All staff that are required to quarantine at the high school as a result of the staff cases were notified.

We will continue to keep our school community informed regarding how this virus is impacting our schools.

I know you join me in wishing our students and staff a quick and complete recovery.

Sincerely,

Dr. Marco F. Pochintesta
