

10th Grade Class Meeting Minutes

Date: March 3, 2021

Recorder: Sophie Black and Mr. O'Shell

Present: Sophie Black, Ravyn Sotomayor, Mak Keller

Absent: Logan Kendall, Reid Waite

Academic Check-in: We discussed "S.M.A.R.T. goals" for this five-week academic period, and which class each student needs to focus their efforts on.

Discussion Highlights:

We discussed the class' 2023 senior class trip. While there are ambitions of travel abroad, we talked about the tradition and logistical considerations supporting an NYC trip, and there is not currently a strong interest in pitching a travel club.

We discussed various ideas for a spring community service project including trash pick-up, helping community members with spring yard work, and making toys for dogs and cats to donate to the Tri-Lakes Humane society.

Action Items: Have a plan for a spring community service project. Mr. Sussey will speak with the class about the possibility of working with the town to build mountain bike trails.

Next Meeting: March 29, 2021 after school
