## PRINCIPAL'S MESSAGE

Dear BHSWCA Families,

As we roll into November, I ask that you continue to partner with us by ensuring that your child follows a schedule that allows them to attend each of their classes for the full amount of time. Daily attendance is critical to the success of all of our students. We also ask that you check PupilPath to review your child's academic progress. Grade reports for the first marking period will be shared on **November 6th**. Finally, please attend parent and teacher conferences this month by scheduling an appointment with your child's advisor. Sadly, this is the first year that we will not be able to celebrate our annual International Day where families provide a potluck dish from their culture. It is a prized tradition at BHSWCA and will be sorely missed this year. Please know that we appreciate your continued support and wish you a safe and healthy Thanksgiving.

Best,

Terri Grey, Principal

Bronx High School for Writing and Communication Arts

### **THE CREATIVE WRITING CLUB OF BHSWCA IS PROUD TO PRESENT OUR ANTHOLOGY!**

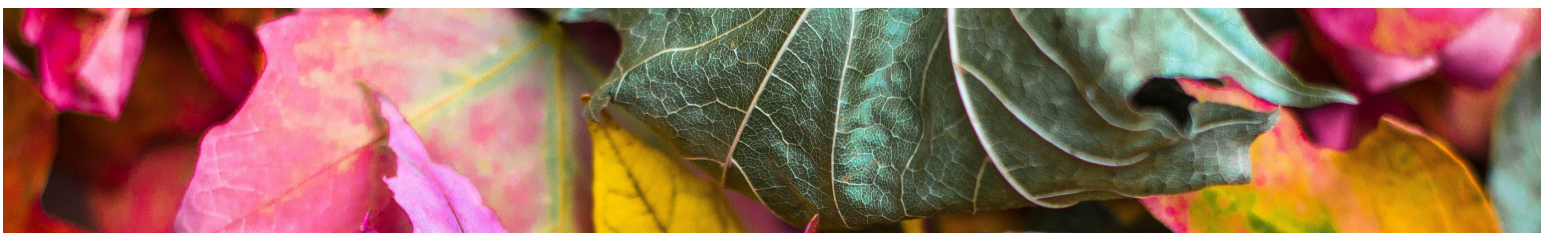

This collection of short stories and poems represents the tenacity, creativity, and collaboration of five phenomenal students: Aberlin Sanchez, Bakary Drame, Elisa Rosario, Maritza Elena Simunek, and Miladys Sanchez.

These five met online, through a pandemic, working tirelessly to write, share, rewrite, edit, and ultimately publish this polished collection.

Support the creative writing club by purchasing a copy on amazon by clicking here!  
All proceeds go directly to the club to support the students' work.

## BHSWCA Senior Jaheim Davy Presents

The green team is a student environmental club that teaches others the use of recycling and the importance of preserving nature such as the trees and animals. Our aim in the green team is to educate others in a fun way.
