

3/1/19- 4th meeting- 40 minutes

- Discussion of Class trip since it was approved by the BOE
 - Plan for visiting MCC
 - Admissions interview- practice for other interviews in life but more laid back. Dress professionally, come with questions prepared that can't be found on website. Practice mock interview with me if desired
 - Tour during summer, a quieter time on campus
 - Itinerary timeline shared
 - Reviewed map of the area
 - As the date approaches- parent meeting to discuss trip, review the code of conduct, answer questions, sign paperwork-etc.
 - Reviewed parent permission slip
 - Plan to look up a couple restaurant or shops of interest, or we can just play it by ear
- Reviewed PSAT and Pre-ACT scores
 - Discussed how those scores can help to determine which test to focus time and energy on
- Discussed SAT and ACT
 - Typically taken for the first time in the spring of junior year
 - Can be taken in the summer and then retaken in the fall
 - Not all schools require ACT or SAT scores, but taking one can provide more options when applying next year
 - Not just about the test scores themselves, but also demonstrated stamina, dedication, perseverance, can give an edge to applications even if a school doesn't require an applicant to take the test.
