### **2-22-21 COVID-19 Update**

February 21, 2021

Dear Pearl River School Community,

Over the last week, we were notified of four new positive cases of COVID-19 in the District: a staff member and two students at PRHS and a staff member at Evans Park Elementary School. After consultation with the Rockland County Department of Health (RCDOH), the parents of all students and all staff that were exposed to the positive case were contacted. Anyone exposed to a positive case of COVID-19 must quarantine for 10 days from the last date of exposure and continue to monitor for symptoms for four additional days.

We will continue to keep our school community informed regarding how this virus is impacting our schools. We know you join us in wishing our students and staff a quick and complete recovery.
