School-aged students can receive services either through an Individualized Education Program or a Section 504 Accommodation Plan. Quality educational programs and services are provided in the least restrictive environment to meet the academic, social and emotional needs of our students. Related services such as speech, counseling, hearing impaired services, vision services, occupational therapy and physical therapy are also available to students. All services are provided in compliance with the Regulations of the Commissioner of Education.

Pearl River Athletics

The vision of the Pearl River Athletic Department is to enrich the mental, physical, and emotional well-being of all students by providing competitive opportunities in which lifelong values of sportsmanship, leadership, team work, and integrity are emphasized. The athletic programs in our district are founded upon the principle that the playing field is an extension of the classroom and the athletic experience contributes to the overall growth of the mind and body.

It is believed that participation in sports provides a wealth of opportunities and experiences to assist students throughout their education.
