

Mera Michelle Carey
Pat MFT

HSW Mtg. (2/2/22)

- Michelle reviewed Old Business - ~~see attached~~.
- Discussion of yesterday's lockdown drill, new lights + signals.
- 66% of 5-11 year old LSCS students fully vaccinated.
- Review of Covid tests administered (and results) since start of school. (See attached.)
 - ^{free} Home test kits (43) ^{from NYSTBOCES} will be received each month.
 - all tests we have received have been sent home to students + staff.
 - We've received T-cubes with which to read rapid tests on the spot.
 - PCR's to be phased out in favor of rapid tests.
 - 5-day rule for people who test positive / had onset of symptoms. ^{new rule may be coming where} Asymptomatic / unvaccinated students do not need to quarantine, either for school or extracurriculars.
 - School playground problem is that the equipment is too much for K-2 kids and too little for older elementary kids. ASP Committee ideas have been submitted to Noelle, who is trying for funding from Covid relief money.
 - Possible Four Rivers Alliance presentation re: cannabis awareness and prevention as legalization comes about.
