## What is the schedule for Remote Learning Class times?

Students are expected to log into one Google classroom session per subject everyday and communicate directly with their teachers.

Teachers also hold individual office hours which will be shared with your child through Google Classroom and email.

Time	Monday	Tuesday	Wednesday	Thursday
9:30-10:30	Math	English/ENL	Science	Social Studies
11:00-12:00	Math	English/ENL	Science	Social Studies
1:00-2:00	Math Physical Education	English/ENL Advisory/PGC	Science Spanish	Social Studies Art

## How will I know how my child is doing?

- Progress is posted in Pupil Path. Parents please email [sprescod2@bhswc.com](mailto:sprescod2@bhswc.com) for Pupil Path login.
- Teachers are holding official Parent Engagement time for one hour each week and will be reaching out if your child needs more support. This schedule will vary by teacher.
- School Aides will conduct daily outreach for students not attending Google Classroom sessions and for students who have not posted any assignments.

## How will this impact my child's progress toward graduation?

- As long as your child is keeping up with the assignments the teachers are providing, they will still earn all their credits this term, and teachers are still preparing students for their scheduled Regents.

## What if I don't have a device at home for my child to use for classwork?

- Please visit <https://coronavirus.schools.nyc/remotelarningdevices> and complete the survey or call 718-935-5100 and press 5
- Devices are being shipped to your home by fed-ex with the address you provided on the application.
