

5th Grade YEARBOOK

Attention 5th Grade Parents

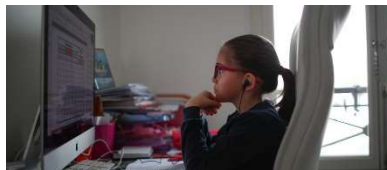

We need pictures of your 5th grader to include in the yearbook! The PTO provides every 5th grader with a yearbook, free of charge. The yearbook will include lots of photos from their years here at McCullough! Some pages will be designated for baby photos, first day of school photos (any year), and photos from remote learning during the pandemic – this is where we need your help!

Please upload the following to our link on the Josten's webpage:
