4-9-21 COVID-19 Update

April 9, 2021

Dear Pearl River School Community,

Since the last update on March 26th, the District has been notified of 45 new positive cases of COVID-19: fifteen students and one staff member at PRHS; six students and one staff member at Franklin Avenue School; two students at Lincoln Avenue School; seven students and three staff members at Evans Park School; nine students at PRMS; and one district staff member. After consultation with the Rockland County Department of Health (RCDOH), the parents of all students and all staff that were exposed to the positive cases were contacted. Anyone exposed to a positive case of COVID-19 must be quarantined for 10 days from the last date of exposure and continue to monitor for symptoms for four additional days.

The district will continue to keep the school community informed regarding how this virus is impacting schools. We know you join us in wishing our students and staff members a quick and complete recovery.
