VI. SUPERINTENDENT'S REPORT

Victoria Kniewel, Susan Shirken

David M. C. Stern called upon Victoria Kniewel to give an update on the latest developments regarding the administrative budget proposal for 2016-2017. Victoria said that since the last board meeting of March 22nd, the proposed budget has been adjusted due to an increase in State aid and because of the State's gap elimination adjustment, resulting in a percentage tax-rate increase of 2.74%. She continued to say that the budget is well under the tax cap. Victoria thanked the Board and the community for their support.

Board Comments:

David Chao said, "It is a good budget for this year; it sets us up for stronger budgets in the future; I am 100% in favor of this budget."

Brian Yarrington commented, "In the past, we were being bombarded and not able to get ahead of the game; this budget is a good incremental step forward; it has positive steps in the right direction as in hiring the technology coach without burdening the taxpayer." Brian concluded by saying, "I echo David Chao's comments, and I am very much in favor of this budget."

Jonathan Faust said, "I strongly support this budget; it amplifies what it is we are trying to accomplish to improve technology, to improve our educational goals while maintaining educational excellence; we continue to provide a premier education in a fiscally responsible manner."

Jennifer Darger commented, "With gratitude and appreciation, I say this is a responsible budget; I appreciate the efforts that were made by everyone."

Michael Bianchi said, "I appreciate what the Board has done for this budget."

Anish Nanavaty commented on the expenses and revenues and said that from the expense side, he is pleased that all of the requirements are met; on the revenue side, it is great that the State has given us back money, providing us with a stable budget; this allows us to keep an appropriate level of reserves to deal with the various contingencies the district has to contend with. Anish said, "This is a great budget, and I would urge everyone to pass it."

David M. C. Stern thanked Victoria and Sue for coming through with a fiscally responsible budget and a budget that meets the spirit of educational excellence. David said he looked at the drivers for every decision that was made and was impressed with the management of the reserves and the way the strategic goals helped with those decisions.

Victoria thanked Sue for her careful stewardship with every dollar, working closely with teachers and administrators and for her attention to detail.

David M. C. Stern asked that Agenda Item C.1. be taken out of order. Victoria read the resolution and a motion was made.

Brian Yarrington made a motion to approve the 2016-2017 budget in the amount of **\$55,912,470**. Michael Bianchi seconded the motion and the motion was approved unanimously.
