Pop Cornucopia

Saturday, November 21 > 9:30-11:30am

Create a 3D painting featuring traditional Thanksgiving subjects in a Pop Art style. Specific studio materials will be provided via an art kit, but you will also need scissors, Elmer's glue, and paint brushes.

Registration Deadline: Saturday, November 7

Snowy Night Painting

Saturday, January 9 > 9:30-11:30am

Create a 3D drawing and painting of a wintry snowy night with snow people in their natural environment. Specific studio materials will be provided via an art kit, but you will also need paint brushes, scissors, and Elmer's glue.

Registration Deadline: Saturday, December 19

Not a Creature was Stirring...

Saturday, December 5 > 9:30-11:30am

Except a slinky elf-style sculpture! Using felt, pipe cleaners, and craft supplies, make a slinky elf that you can display around your house. (Younger artists may need assistance.) Specific studio materials will be provided via an art kit, but you will also need scissors and hot glue.

Registration Deadline: Saturday, November 21

Snowy Owl Shadowbox

Saturday, January 23 > 9:30-11:30am

Using pine cones and lots of cotton balls, design and assemble a winter scene, featuring a snowy owl, in a shadow box. Specific studio materials will be provided via an art kit, but you will also need paint brushes, scissors, and hot glue.

Registration Deadline: Saturday, January 9

Snowy Night Light

Saturday, December 19 > 9:30-11:30am

Construct a lantern night light depicting a wintry scene. The top will include a special mini-snowperson sculpture as well! Specific studio materials will be provided via an art kit, but you will also need paint brushes, scissors, and hot glue.

Registration Deadline: Saturday, December 5

*The virtual Children's Saturday Studios will be conducted via the Museum's Zoom account. The Zoom link to access the class will be included on your registration receipt/confirmation email.
