

LLCS Garden Committee

Meeting held Tuesday 5/22/18

- Spring planting
 - Elementary students have been helping to plant cold tolerant crops
- Discussed summer garden logistics
 - Long Lake Day Hab will help with watering once per week (Tuesdays)
 - Ten weeks between end of this school year and start of next
 - Reach out to people about “adopting” garden for a week
 - Nicole will email people who have shown interest in past first
- Summer harvest solutions
 - Harvest is small and inconsistent, not suitable to donate to groups needing large amounts
 - Discussed possible venues around town that might work for disbursal
 - Will contact Alex Roalsvig about possible town involvement’
- Working meeting
 - Work needs to be done in both garden spaces, need to reschedule (were supposed to work today, but weather was not conducive)
