Family Contract: The founders of Oglethorpe Charter prepared the Family Contract in 1999. It is usually good to review this document at the end of a grading period.

Oglethorpe Charter School Family Contract

I/We, the Parent(s)/Guardian(s) of the above-named student, in consideration of the enrollment of my/our child in the Oglethorpe Charter School do hereby agree to the following:

1. I understand that this school is governed by a Governing Board, the majority of which are parents or guardians of students enrolled in Oglethorpe Charter School.
2. By my personal participation, I will assist the school in making learning a primary occupation for my child.
3. I will supervise my child's homework to ensure that all assignments are completed on schedule. I will not make excuses for late/missing assignments. I will establish a homework location in the home.
4. I will ensure that my child is dressed in uniform clothing in accordance with the dress code established by Oglethorpe Charter School. As stated in the student handbook, if my student comes to school out of uniform, I will bring my student the appropriate clothing as soon as I am contacted.
5. My child will be sent to school healthy, clean, rested and prepared to learn with proper supplies.
6. I will have two academic conferences by phone, e-mail or in person with my child's teacher(s) as requested. I will schedule conferences. Pop-in conferences are not appropriate.
7. I will volunteer my time according to the needs of the school, which are currently 10 hours per year for single-parent families and 20 hours per year for two-parent families, by agreeing to accept a fair share of the work to be done as directed by the Governing Board and/or Administration.
8. I understand that practicing civic responsibility is an important part of the learning experience at the school; therefore, I will provide or arrange for transportation for my child to school-organized volunteer community activities or I will provide reasonable notice to the school if I need assistance to find transportation for my child.
9. I understand that this contract is an agreement with all other parents in the school to support the faculty, staff and volunteers as they work to help me make my child a productive, cooperative member of the school and community.
10. I understand that after reasonable interventions with regard to discipline has been attempted without success, the Governing Board has the authority to expel or recommend that a child be withdrawn from Oglethorpe Charter School if the following circumstances occur:
 - a. Student's behavior violates the Conduct and Discipline Code which I have read and I understand; and/or

- b. The parents or guardian fails to take responsibility for the conduct of the student or fails to cooperate with the school in efforts to correct the student's behavior.
- c. The student consistently fails to turn in homework, projects, or prepare for tests, preventing reaching maximum academic potential.

I understand that any student suspended or expelled from a charter school is entitled to enroll in a public school in the district in which the student resides so long as the student would not have been subject to suspension or expulsion under the disciplinary policy of the local school system for the conduct which gave rise to the suspension or expulsion.

11. I understand the policy of Oglethorpe Charter School is to promote students from grade to grade based solely on academic performance.
12. I will keep the school informed of a phone number and address where I can be reached during daytime hours, and be immediately available to come to the school if requested.
13. I will see that my student attends tutorials, if needed.

Congratulations OCS Football: The OCS football had a shut out 21-0 game against Meyers Middle School. Keep the winning tradition going players and coaches!

PBIS in the Classroom: Oglethorpe Charter School has been selected by the Georgia Department of Education to implement PBIS in the classroom. This takes us to another level of PBIS implementation. The following strategies are just a snap-shot of what is taking place in the classrooms:

- Set clear routines for everything you would like students to do in your classroom
- Silent signals
- Proximity
- Quiet Corrections
- Give students a task
- Take a break. ...
- Positive phrasing
- State the behavior you want to see

Note: Our overarching goal with PBIS is to continue to provide a safe and nurturing environment with every aspect of school and have systems in place for the smooth orderly operation of the school day for all.

Titan Ambassador Grill and Chill: The Titan Ambassador Club will be hosting our next Grill and Chill on Friday, October 29th. This event will be open for all to attend.

School Start Time: We open our doors every morning at 6:50. The first period class each day starts at 7:40. We are asking for all students to arrive on our campus no later than 7:35 to be able to get to class on time.

PTO Cookie Dough Fundraiser Update: On behalf of the PTO Officers (Kate Blair, Carmen Nieves, Angela Hall, Tamara Waterman, and Elizabeth Spikes), we would like to say a big thank you to our students and parents for a successful fundraiser with \$30,000 taken in. The order has been placed and all product items should be delivered to Oglethorpe prior to the Thanksgiving break. If your child sold 5 items or less, those

items will be taken to the homeroom classroom the day of delivery. Your child will then bring those items home for distribution to those people that purchased. If your child sold more than 5 product items, we require parents to come to the school to pick up the order from a designated location (most likely the front entrance area due to after school care in the cafeteria). All items arrive frozen and must be picked up on the day of the delivery.

FBLA Dress Down Days: The Future Business leaders of America will be hosting two dress down days on the following dates:

- October 29th: Students will be allowed to come to school in appropriate costume attire or simply dress down for \$2.
- November 19th: Students will be allowed to dress down for \$2.

OCS Football: Mr. Shehane (OCS Athletic Director) provided the following shout out to the OCS football team after their last game: The OCS Football Titans improved to 2-0 with a hard-fought win over a tough Southwest Eagles team, 14-6. With neither team able to run the ball and a scoreless first half, the game became a passing dual. Dakari Smith and LaDamian Guyton contributed to the passing attack with multiple receptions that kept drives alive and moved the chains. Early in the fourth quarter CamRon Yeldell found Raleigh Wesley for the Titan score on a 5-yard screen pass. With an effective pass rush by Guyton, Smith, and Sanlos Celestin, the defense held the Eagles out of the end zone late in the fourth quarter inside the 10-yard line. In a game that appeared to be headed for overtime, with less than 2 minutes to play, Smith had a strip sack that was recovered by Guyton. With less than a minute to play, Yeldell found Wesley again. This time streaking over the middle on a post slant, Wesley raced 58 yards for the score. Saul Castillo converted the extra point to ice the game.
