

10th Grade Class Meeting Minutes

Date: January 22, 2021

Recorder: Mr. O'Shell

Present: Sophie, Makenzi, Logan, Ravyn

Absent: Reid

Academic Check-in: All students present are preparing for midterms next week. Each student shared their study plan including when and where they plan to study over the weekend, and which exam they plan to study for first.

Discussion Highlights:

- The food drive for Long Lake Food Pantry was a success, and much appreciated by the food pantry.
- Brainstorming for a second community service project: We discussed the possibility of helping out with shoveling, but acknowledged logistical hurdles.
- Students have agreed that they want to plan early for their senior class trip, and do not want to go to New York City when the time comes. They want to start fundraising for a trip starting before the end of this year. Ideas for fundraising include pizza kits or cookie kits, and doing yard work.

Action Items:

- Be prepared to make a decision on a second community service project at our next meeting
- Have a plan for a fundraiser

Next Meeting: February 10, 2021
