 - Andrew at stacked for bulk suppliers of coin pouches
 - NS wants us to include all staff, i.e. Jerry, Dustin, Lisa, Vickie, etc.
 - How can we do that?
 - Bus behavior, proper mask wearing, sitting in seat, hallway behavior, fire drills, lockdowns (quiet classes, good hiding spots)
 - List will be generated and placed in mailboxes, e-mail sent and bear bucks placed in their mailboxes or direct them to where they are

 - Send a template to older kids, they make copy and send it back to SCC, Sean will help assign this to the students using Google classroom, should be completed during study hall or when they have free time

- **Honor Roll and Attendance awards**
 - Here were some ideas that came up last year:

Homework pass 3-6 (just check with Allison, Tina on board)

Cell phone at lunch on 1 Monday pass 7-12

local businesses

Snap bracelets

Ice cream social

IL Movie (gift certificates were given before covid)

car magnets; iTune gift cards; photos on a wall of fame; tshirts; sweatbands; facemasks; snap bracelets (those were sort of fun); phone cases; pop sockets

Stewarts ice cream cards (they will donate)

amazon gift cards (\$10) for elite?

- **These are the items I already have.**

LL stickers - drawer left of desk

Pencils - drawer left of desk

sunglasses- left side of glass cabinet

Bearbucks

I want to be able to mix some different items in so they aren't getting the same sticker, pencil, sunglasses, bearbuck deal. I also don't want to bog the kids down with just STUFF. I am thinking about getting some snap bracelets for some point in the year and maybe for quarter 1 doing a homework pass (3-6)/cell phone at lunch on Monday pass (7-12) & ice cream passes for Elite HR & perfect attendance?

- Do we want to get rid of quarterly perfect attendance and just go with an end of the year award/certificate? Especially since we have been doing better with attendance.
- Do we need to have an incentive for each honor roll level? A prize for elite, bear bucks/certificates for the other levels. Have an array of prizes and they can pick their own. If we have to do all levels, then let them pick 1 or 2 or 3.
