Safety updates effective 04/24/2024:

Due to increased car rider lines and traffic, we are implementing additional safety measures.

All car riders need to be picked up from the car rider line. If you have a student who is late coming to the front, the staff on duty will direct you to park in front of the red brick building in the parking spaces closest to fm942. They will walk your student to you when they arrive at the front.

The main gate to the HS area will be closed at 3:30 for buses to line up.

Parents requesting early check out of their students or change the way your child gets home, will need to contact the office before 3:30pm. 936-398-2412 ext. 2301

If you need to come to the main office after 3:30, you can park in front of the red brick building on the side near the road and walk to the HS office.

The parking spaces on the East side near the ag shop are for student and staff parking only.

Our school officer will be on duty to make sure our kids are safe.

As always, safety is our priority for our students. We thank you for your continued support as we grow.
