

Resources

Epic! - <https://www.getepic.com/>

This is a great site for reading materials. Some of the books are read aloud to students.
Each student already has an account and the class code is **qce4669**.

Spelling City <https://www.spellingcity.com/Log-yourself-in.html> -

This site is one we use regularly to practice spelling. If students forget their password.

Third grade password - grade3

Fourth grade password - grade4

Mystery Science - <https://mysteryscience.com/>

This site provides numerous videos on a wide variety of subjects.

i-Ready - <https://login.i-ready.com>

Students are familiar with this site for reading and math lessons. Every student already has this site bookmarked. If there are any problems, please let me know.

IXL Math - www.ixl.com

This site is directly aligned to our enVision math program. Specific lessons can be assigned and it is also in categories by topic. Usernames and passwords are on the shared google doc.

SlashLearn-<https://www.splashlearn.com>

3rd grade math students (with Mrs. Conboy) are familiar with this site. I can assign specific math skills for students to work on and track their progress as well as monitor how well they understand each topic. 3rd grade math students have log-in information on their math folder that went home

Prodigy Math - www.prodigygame.com

A fun, interactive math world to battle other players over math problems. Usernames and passwords are on the shared google doc.

Code.org - code.org

A beginner level understanding of computer science. A great way to introduce students to technology from behind the scenes. Explore how to make games like Minecraft!

Bedtime Math - <http://bedtimemath.org/apps/>

The app for this site can be added to your smartphone or tablet. It gives you a question of the day starting with questions for younger children and then increases in difficulty for older children.

Brain Pop

https://www.brainpop.com/free-trial/?who_am_i=home&promo_code=BPCVFA&utm_source=covidhub&utm_medium=button&utm_campaign=coronavirus&utm_content=free-family

This site has a variety of options. You will need to register first for free and then begin to explore the site.

GoNoodle - <https://www.gonoodle.com/good-energy-at-home-kids-games-and-videos/>

This site is perfect when your child needs a break. Most of them are familiar with a few of the videos. Have fun.

Virtual Tours - A variety of sites that provide virtual tours.

The Hidden Worlds of the National Parks - <https://artsandculture.withgoogle.com/en-us/>

This site has been recently made available to celebrate national parks. The filming and photography are beautiful.
