- We have a ^{\$}100 budget that makes us able to have guest speaker / program in future.
- Reviewed recent bus drill.
- Hom. Co. Dept. of Health continues to provide Rapid Tests, which are sent home with kids.
 - Moving from pandemic to endemic status.
 - Individual self-testing, isolation, re-testing, masking upon return to school for days 6-10 after ^{first} positive test.
 - Parent cooperation has been great.
- Lions Club applying for another grant for 2022-23 backpack program.
 - Currently have 9 enrolled in program.
- Fitness Center will be re-opening for students (not yet for public).
 - Alex has students doing weight training.
 - Must have a ^{certified} supervisor for students after school.
 - Adult faculty / staff may use center after school depending on team use. (Sign up sheet.)
- White vs. chocolate milk at lunch?
 - General skepticism that chocolate milk should be offered. Should no longer be a choice after spring break.
 - Put it in vending machine as an individual option?
 - Just offer it on Friday as a treat?
 - Stop throwing out white milk.
 - Follow district wellness policy, pg. 3.
