**Financial report was presented by Connor Buchanan**

Connor Buchanan presented the financial report through December, 2020. The payroll figures for the month of January, 2021 were not available from the district at the time of this meeting, due to the district integrating to a new financial system.

**President's Report:** None

**Principal's Report:** Cohort A students started back today for hybrid in-person learning. The volume of students in attendance was lower than anticipated. 94 students attended today out of 124 who had originally signed up for in-person. This may have been a reflection with confusion in transportation. Four school buses arrived this morning transporting a total of six students. We are hopeful the number of students in attendance will increase soon. Cohort B students will begin in-person learning Thursday and Friday of this week.

A report from the Georgia Charter School Association showing current training hours on file for board members was shared.

**Congratulations Jackson Smith:** Jackson Smith has been selected to represent Oglethorpe Charter School as the February Student of the Month. Jackson is a high academic performing 8<sup>th</sup> grader that is currently taking 3 high school classes (9<sup>th</sup> Math, 9<sup>th</sup> Comp Lit, and 9<sup>th</sup> Physical Science). Jackson is a member of the OCS BETA Honor Society Club. He also plays soccer on the OCS Soccer Team. During his free time, Jackson enjoys playing soccer and reading. Jackson hopes to attend Savannah Christian High School next year and would like to attend the University of Georgia upon graduation from high school. He does not know what he would like to do for a living yet, but he is on track to do quite well in any field he chooses to go into. Jackson is inspired by his parents because of the support they give him and his sister in everything they do.
