## About SLCD and ABLE

The School for Language and Communication Development (SLCD) is a non-profit organization. Its mission is to identify children with language and autism spectrum disorders as early as possible, teach them to communicate, and help them lead an independent life. The mission of ABLE Community Services is to continue the work of SLCD and provide day habilitation programs and residential services.

SLCD and ABLE service individuals throughout Long Island and the five boroughs of New York City through a preschool and elementary school in Glen Cove, middle school in Woodside, high school in Richmond Hill, adult day habilitation programs in Queens and on Long Island, and adult residence in Farmingdale. SLCD has the ability to meet the needs of students from preschool through adulthood.

For further information, please call 516-609-2000, email [events@slcd.org](mailto:events@slcd.org), or visit [www.SLCD.org](http://www.SLCD.org).
