11th Grade Class Meeting-Brooke and Pailin present

Discussed changing venue for class trip

Write a letter to board asking for permission to explore Boston as destination-we don't want to put a lot of time and effort into research if this can't be an option

Shoeboxes for activity-they are due around Thanksgiving

Can tabs-write a letter to Stewart's headquarters asking permission to place a collection container at store here

3rd activity-? We need to be thinking about this.
