School Description

El Capitan Middle School bears the name of the majestic El Capitan Peak in Yosemite National Park and it is the original middle school in Central Unified School District in the city of Fresno, CA. Located two miles west of highway 99, off of Blythe Avenue between Clinton and McKinley, it is in the heart of the fertile San Joaquin Valley.

El Capitan Middle School's student population receives differentiated programs for designated students with include the following: GATE, Special Education, Title I, and English Language Learners. El Capitan staff is comprised of credentialed teachers, a Principal, a Vice Principal, a Guidance Instructional Advisor, a nurse and health aide, an office manager, 3 clerical staff, a plant manager, and 1 campus safety-liaison. Two bilingual aides and seven special education aides assist teachers in the classroom. Other services, such as a psychologist, counselor and instructional coach, are provided by the district. A full-time Library Media Technician allows students access to the library during scheduled class time as well as during lunch and break. The El Capitan After-School Program, contracted with the County Office of Education, provides a quality after-school program for approximately 290 students. Additionally, El Capitan has a School Site Council and English Learner Advisory Committee.

During the 2010-2011 school year, Central Unified School District adopted Guiding Principles. As an organization in Central Unified, El Capitan Middle School will use the Guiding Principles to direct our work. The statements within the Guiding Principles are as follows:

Belief: Every student can learn.

Vision: Every student is prepared for success in college, career and community.

Mission: Every student will engage in rigorous, relevant, standards-based instruction in every classroom, every day to ensure student learning.

Core values: Character, leadership, innovation, continuous improvement.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)

All textbooks are adopted from the most recent state-approved and local governing board approved list. The textbooks are consistent with the content and cycles of the curriculum frameworks which are adopted by the SBE. Every student, including English learners, has a textbook assigned to him/her for home use throughout the year. Classroom sets of books are available for classroom use so students are not required to carry books to and from school.

Textbooks are selected with input from all stakeholders during district-sponsored textbook selection committees.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

^{*} Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

El Capitan Middle School provides a number of opportunities for parents and the community to become involved at our school. These activities and committees include the following: 1) Invite all parents to all parent meetings such as Parent Teacher Association (PTA), School Site Council (SSC), English Learner Advisory Committee (ELAC), and District ELAC; 2) Invite parents to students' performances and awards ceremonies, which include athletic, fine arts and academic achievement; 3) Invite all parents to visit the school anytime; 4) Provide home communication in primary language when possible; 5) Provide communication in a variety of forms: 2 formal opportunities to parent-teacher conference, agenda, phone dialers, web-site postings, digital calendar on the web-site, communications from teachers; 6) Make personal phone calls for meeting reminders; 7) Provide translators at all school meetings, when needed; 8) Respond to suggestions from parents, addressed either orally or written, in a timely manner; 9)Invite parent attendance and/or participation during Back-to-School Night, Open House, History Day, and Portfolio Days.

Bi-Monthly ELAC, SSC, PTA meetings provide an opportunity for parents to discuss their ideas, receive information, maintain high expectations, and focus on a common vision for the school. We also offer Parent Education Classes through FCOE to help parents with areas such as technology, nutrition, and assisting their students academically. A Home-School Compact is reviewed every year. The compact, which is signed by the principal, teacher, student and parent, highlights the importance of the educational experience to each student and reviews the roles/responsibilities of teachers, students and parents. Our teachers communicate with parents regarding their child by email, telephone, weekly progress reports (when requested), positive post cards, use of agenda and parent-teacher conferences. Our EL, Special Education, and other support staff make personal phone contacts, hold many parents/teacher conferences, and home visits to provide parents with information in their primary language and to encourage their involvement by helping them understand how to access and become involved in our school. Additional input from parents and community members is also sought at monthly meetings held with parent outreach programs. Active committees provide a regular opportunity for input and exchange of information that can directly effect policy decisions. El Capitan also contracts with Fresno County Office of Education to provide parent education opportunities on campus.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

El Capitan's Safe School Plan contains school emergency procedures such as fire evacuation procedures, lock down procedures, earthquake and other emergency procedures. These drills are held on a regular basis. Two-way radios have been provided to staff for communication. The Safe School Plan also contains four components that describe the physical school site, the school's population, school policies, and procedures. Prepared in compliance with Central Unified School District Governing Board Policy, the safety plan is devoted to the welfare and safety of the students of El Capitan during school hours and during after school activities. It includes a procedure whereby the school could be used, under disaster conditions, as a community resource of the care of people. In the event of a major emergency, El Capitan will activate their "Incident Command System" procedures. The components are reviewed and updated by the staff and Safe School Committee on a yearly basis. The school works closely with the district to address policy and procedural issues in relationship to the site and district plan.

A video camera surveillance system is an effective deterrent to crime and vandalism on the campus. El Capitan employs one full time liaison who works closely with students and staff to improve the safety of our campus. El Capitan has developed a very close relationship with the Fresno Police Department. Also, officers from the Graffiti Enforcement Department have had a major impact in ridding the school and community of graffiti.

School safety plan was reviewed with faculty on 8-9-2016 and 8-24-2016.

Professional Development provided for Teachers

Beginning teachers receive training and support through the Induction Program. Teacher evaluation is viewed as a way to improve the instructional competence of teachers and enhance the curriculum. Probationary teachers are evaluated twice each year; tenured teachers once every other year. The district conducts an extensive in-service program for all teachers. Training is conducted by the FCOE, CUSD Educational Services, staff leaders and the principal. Selected staff is sent to in-services and conferences in their specialized subject areas. All teachers participated in district collaborative training. Staff is encouraged to take college method and curriculum courses and to be active in subject area professional organizations and activities, conferences and evaluations as a means to help this staff member improve his/her teaching performance.

Types of Services Funded

All Title I students have access to consolidated program funds regardless of race, ethnicity, religion, gender or socioeconomic status.

Programs do not isolate or segregate students. Students may be temporarily assigned to a two-period English core based upon the results of the Language! Placement test, which is a comprehensive diagnostic test. Students may be temporarily assigned to a "Inside" reading intervention or math intervention class based on most recent SBAC scores, common assessments, and/or benchmark data. Students are enrolled in the regular classroom or an elective when the diagnosed need has been alleviated.

English Language learners are enrolled in core academies to assist them with improvement of the following needs: acquisition of English language proficiency; proficiency in context-embedded subject areas like science and social studies; and proficiency in mathematics and mastery of basic math skills.

Identified needs of English Language Learners will be met by the following:

- ELD and SDAIE classes will focus on accelerated acquisition of English and the implementation of SDAIE and instructional strategies (i.e. Specially Designed Activities in English that help students become proficient in English).
- ELD teachers and content area teachers will be provided professional development on how to meet the needs of EL student.
- EL teachers will meet by department at least monthly to review data (benchmark, common assessments, student work, etc) for each student.
- EL teachers will meet with content area teachers at least monthly to review data (benchmark, ROLA, Language!Live, etc) for each EL or redesignated students.
- Students who are struggling in targeted area will be recommended for targeted intervention (i.e.: after-school math tutorial, reading intervention, small-group instruction, one-on-one assistance, instructional technology, instructional aide.)
- Bilingual instructional aides will assist teachers in providing targeted instruction and assistance to English-Language Learners.

Accelerated-student needs (including Title I) include the following:

- Challenging advanced learners
- Motivating advanced learners to perform at ability level

GATE and advanced students are enrolled in accelerated English, History, Math and Science courses. Teachers of accelerated learners are provided district support in understanding the unique learning needs of the accelerated learner.

Identified RSP and SDC students are provided a special education case manager who oversees the goals and educational plans that have been written in each student's Individualized Education Plan (IEP). Special education instructional aides assist in provided leveled, differentiated and targeted instruction under the direction of a credentialed teacher.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
