

11th Grade Class Meeting 12/4/2023

Present: Brooke and Mrs. Bailey-Warren

-Reminder to keep Community Service and Achievement forms updated

Shoeboxes-they are on their way to the distribution center and then on to their final destination

Soda tabs-collect containers now

We have some containers, we did not get them out yet. Revised plan is to have them ready to be distributed at the various locations tentatively by the end of December-beginning of January (shortly after we return from break)

Boston Trip-Girls drafted a letter to the Board seeking a 2 night overnight trip, asking for special consideration due to Pailin graduating this year and when (if) 7th & 8th graders go with Johnsbury they are gone for like 3 nights. Another night would allow us to explore the train from Albany to Boston and arrive back earlier than 9 p.m. or so. We are hoping the Board addresses our letter at their meeting December 19th

3rd service project- Girls decided on Charity Bear Warren

-Got the pattern, need to gather polar fleece, eyes and other materials— make and donate to a couple different hospitals

Mrs. Bailey-Warren will work on getting supplies over break. Pailin is an excellent seamstress so we are in good shape! Since Pailin plays basketball & both girls play softball the plan is to work on them mid-February to March once basketball season is over with and before softball season starts. Pick a few days after school to stay and work on them.
