Once you go into your classroom through the backpack choose a student. Select the little box with an arrow to go to Tienet.

| Application | Description |
|------------------------|---|
| Alert Solutions Portal | Alert Solutions Portal |
| Special Education Home | Go to your PowerSchool Special Education home page. |

When the window opens, click on special education home. It will take you to Tienet.

Click on any of the classes to choose a student.

| | | | | | | | | | |
|-------------------------------------|-----------|-------|----------|------------|--------------|------|-------------------------------|-----------|-----------|
| <input checked="" type="checkbox"/> | 557341187 | Lewis | Clifford | 12/01/2010 | Kindergarten | Male | David Skeet Elementary School | 557341187 | 043:90843 |
|-------------------------------------|-----------|-------|----------|------------|--------------|------|-------------------------------|-----------|-----------|

Click on the down arrow icon in front of a child's name that you want to review.

Click on documents.

Click on the down arrow for an SAT Referral. Click on it.

Next, click on the Go to create the document.

You can now fill out the SAT Referral. Please hit SAVE and CONTINUE multiple times so you do not lose any information.

When you are done click on SAVE and EXIT. If it doesn't let you out something is incomplete. Look through the document to see anything highlighted in red. If you know you are not finished and want to come back later click on SAVE and CONTINUE and exit out of the web browser completely.
