

**SUBJECT: ACCOUNTING OF FUNDS**

Accounting and reporting procedures will be developed to facilitate analysis and evaluation of the District's financial status and fixed assets. The District will use the Uniform System of Accounts for School Districts. Books and records of the District will be maintained in accordance with statutory requirements. Provision will be made for the adequate storage, security, and disposition of all financial and inventory records.

**Online Banking**

The Board has entered into a written agreement with designated banks and trust companies for online banking and electronic or wire transfers, which includes the implementation of a security procedure for all transactions. Online transactions must be authorized by the District's Business Official. The District Treasurer, with a separate established user name and password, will have the authority to process online banking transactions. The Business Office Clerk or Deputy Treasurer, with a separate established user name and password, will be responsible for online banking transactions in the event the District Treasurer is not available, or as a job responsibility delegated to him or her by the District Treasurer. A monthly report of all online banking activity will be reviewed by staff independent of the online banking process and reconciled with the bank statement. Online banking will only take place on secure District computers located inside the Treasurer's or Business Office.

**Electronic Transactions and Wire Transfers**

Procedures will be implemented specifying who is authorized to initiate, approve, transmit, record, review, and reconcile electronic transactions. At least two individuals will be involved in each transaction. Authorization and transmitting functions will be segregated and, whenever possible, the recording function will be delegated to a third individual.

The District will enter into written wire transfer security agreements for District bank accounts which will include established procedures for authenticating wire transfer orders. All wire transfers must be authorized by the District Treasurer or his or her designee. Dual approval controls will be established for non-routine wire transfer orders. The District Business Officer serves as the Treasurer. The Superintendent serves as the Deputy Treasurer and has a separate identification and password; with the responsibility of releasing and approving payroll. As per regulations, the District participates in an annual audit that reviews the bank reconciliations with bank statements; confirming wire transfers have appropriate signatures, verification, and authorization of proper personnel.
