1. I hereby elect to join the NYS & Local Retirement system (NYSERS) ☐

2. I wish to decline membership at this time in the NYSERS ☐

3. I am already a member of the NYSERS; my membership number is _____

Tier: _____ Date of Membership: _____

☐ I am retired & receiving a benefit from a NYS retirement system. I understand that I am responsible for contacting the retirement system to determine what if any impact employment by the District may have on my retirement allowance.

If so, which system? _____

☐ I am a member of another NYS public retirement system. I understand that simultaneous membership in more than one NYS public retirement system is an option and I will call the Office of Human Resources to schedule an appointment to complete a membership application if I wish to pursue this option.

If so, which system? _____

☐ I am not a member of a NYS public retirement system. I understand the following:

- I have the right to join the NYS Retirement system. My membership is optional since I am not employed full-time and/or on a per annum contract.
- If I wish to join, I must call the Office of Human Resources to schedule an appointment to complete a membership application.

If you elect to join, you understand that you should review for details on required contribution, purchases, services credit, military credit, etc.

In addition, I understand if I was previously a member of a NYS public retirement system, I may be eligible for reinstatement to the date of membership and membership tier I previously held. It is my responsibility to review my current membership eligibility and I should reach out to the retirement system to make the most informed decision for myself.
