

Port Chester-Rye Union Free School District
Board of Education – Regular Meeting Minutes
August 28, 2019 – High School

Present: Thomas Corbia, President, Anne Capeci, Vice President and Trustees Chrissie Onofrio, Lou Russo and Christopher Wolff

Also Present: Dr. Edward A. Kliszus, Superintendent of Schools; Joseph Durney, Deputy Superintendent; Sandra Clohessy, School Business Administrator; and Cathy Maggi, District Clerk

Call to Order

Mr. Corbia called the meeting to order at 6:03 p.m. and the Pledge of Allegiance was recited and a moment of silence was held for a Port Chester graduate, C. J. Elliot who tragically passed away in Port Chester and condolences go out to his family.

President's Opening Remarks

With the opening of school, just a few days away, it is suggested that parents and students leave early to allow for possible delays for the three construction sites, Kennedy, King Street and the High School. Everyone's patience and cooperation would be appreciated. There should be no delays at Park Avenue School; there was a walkthrough and this construction has been completed.

Construction Update

Will Recce gave a construction update and project status.

Mrs. Capeci commented on the retirement of Ann Rose Santoro; and how she was a mentor to many of the young teachers and a great coach. She wishes her well; great for her and a loss for us. Mr. Corbia remembered her as a student teacher; she was quiet and to watch her grow professionally has been wonderful. He also wishes her well and thanked her for everything.

Public Comment

Jody Helmle, 30 Austin Place, mentioned the delivery of supplies went well with the King Street PTA and thanked Mr. Renda. She invited the board to the annual King Street School ice cream social on Wednesday, September 4th at 1:00 p.m. She suggested looking at policy and possible changes in responses to questions during board meetings.

Mr. Corbia commented that there were some changes in the committees at the Board Retreat. Policy changes are recommended to the policy committee, they have input, and any change or new policy would then be sent to the attorneys for their review. There would be a first reading and then a vote at the following board meeting. The board commented that these concerns would be looked at more closely.

Board of Education – Regular Meeting Minutes
August 28, 2019 – High School

Carolee Brakewood, 32 Indian Road talked about the change in the attorneys for the District. She felt Shaw Perelson had an excellent working relationship and thought changing law firms could slow down the process. She was concerned about the costs involved.

Mr. Reavis, 325 King Street, commended Mr. Durney on his commitment to the district, students and community. He was concerned about there not being a full search for the new Deputy Superintendent. He would have liked there to have been more involvement of the community in this process.

Tizita Fekredengel, Smith Street, spoke about the fire lane and the amount of parking spaces at John F. Kennedy School. She did not feel there was enough parking and would like to know what the plan is to make more parking available.

Mrs. Guagliardi, asked if the board was voting regarding her child. Mr. Corbia mentioned that board policy does not discuss children or litigation in public; and he asked that her questions be directed to the district clerk.

Mr. Ford, Quintard Drive, was glad to hear that there was some discussion about possible changes in communication with the board and talked about dialogue at other schools' board meetings. He talked about the budget and money being left over and felt it should be returned to the taxpayers. He also commended Mrs. Onofrio and how she continues to be involved during a bittersweet time.

Public Comment was then closed with no one else wishing to address the board.

Dr. Klisus talked about the budget, restoring money to the reserves and then money left over was rolled into the next year's budget. Having these accounts fully funded, we then receive good ratings on the bonds and can borrow money at a lower interest rate. Policy committees were put together over the summer, the committee will discuss the policies and then forward them to our attorneys before putting them into place. As far as parking at John F. Kennedy School, please speak to the principal. An incredible amount of work was done over the summer at the schools.

Board of Education Roundtable/Discussion

Mr. Russo went to the Football/Cheerleading Kick-Off Party, which was great. He wished everyone a great year and welcomed all the new staff. He will try and attend as many events during the school year as possible.

Port Chester-Rye Union Free School District
Board of Education – Regular Meeting Minutes
August 28, 2019 – High School

Mrs. Onofrio mentioned she and Mr. Corbia had the pleasure and honor to meet the new teachers and how excited they were at New Teacher Orientation. We toured Park Avenue, very remarkable how it looks and very powerful to see the teachers setting up their classrooms. The Marching Band has been working very hard for the last two weeks at Band Camp; and we are looking forward to their opening show tomorrow night.

Mrs. Capeci talked about all the new classrooms and construction. She has been on the board a long time and every board has always voted on items for the improvement of the schools. We are looking forward to Dr. Combs taking over for Mr. Durney and will work hard on putting someone in place at the high school of the same caliber. The schools are in great hands with this board, they love the schools and the children, and it is a pleasure to work with everyone.

Mr. Corbia again asked that parents try to get children to school on time by walking, carpooling or leaving earlier. He and Dr. Kliszus are going to make as many stops at the schools as they can on opening day to get a first-hand look. He talked about the construction and how as progress is made, things come up that are not always expected just like when work is done in your own homes. He is also looking forward to the opening show of the marching band.

Dr. Kliszus said it is going to be a great year and it is remarkable all that has been done so far.

There being no further business at 7:29 p.m., upon motion by Mrs. Capeci, seconded by Mr. Russo and carried, the Board adjourned the meeting.
