**2020 Annual Fund 2021**

## Your Gift Today is an Investment for Tomorrow

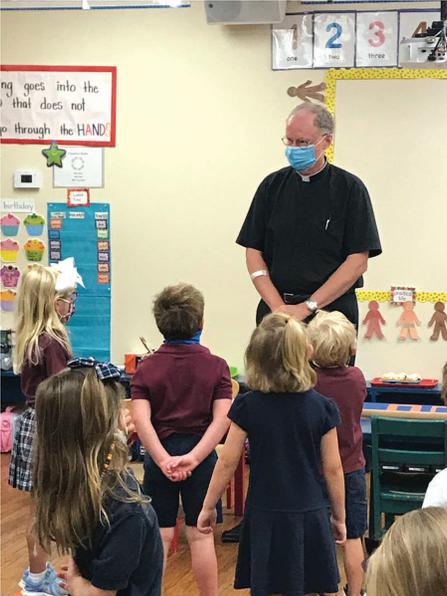

Dear Friends of Christ the King School,

Your support and generosity to our Annual Fund is greatly appreciated this year more than ever. The future of Catholic Education is key for the future of the Church and the reality is that for us to survive in the ever increasing competition for students, we will need more endowments and programs like we have been blessed to have here at Christ the King. We can never be content to sit where we are. We always have to be striving to improve for the sake of our students and Catholic Education. 2020 has been especially challenging for our faculty, principal, staff, students and parents. Having to learn and navigate virtual learning, new procedures, masks, quarantines and the stress of it all has been hard. However, our principal, her assistants and faculty have done an amazing job! Also, many of our families have lost jobs, which makes scholarships more needed than ever. I hope that many of you will again help us this year but thanks for all that you have done to make this a wonderful place to worship and learn. There are no gifts that are too small or too large.

May God bless you all and may we together meet the challenges that face us.

Fr Rick
