### Payment Plan Information:

The Diocese of Allentown has chosen Facts Management Co., as the tuition provider and every family is required to create an account with Facts. Only one account per family is needed. You may create an account by using the following link. <https://online.factsmgt.com/signin/3NW4G> Once you establish the account and choose your payment option, you will receive an invoice advising you of the total due (those paying in full by July 1, will receive an invoice which will include the 5% discount.) This invoice will be sent in late spring. For the families who choose to pay monthly, once you create the account, ND will enter the total due as well as calculate your monthly payments. Should you have any questions or concerns, please contact the Finance Office of ND at 610-868-1431 ext. 129 or 132.

### Please Note:

If a student withdraws during the school year, the parent/guardian will be billed tuition and fees corresponding to the number of quarters the student attended, not necessarily completed. Transcripts will not be sent to new school if there is an outstanding balance on the account.

**The Cost to Educate is \$11,000 therefore; all American students receive Institutional Aid.**
