Dear Parent or Guardian of a THS Junior and/or Senior:

This is to inform you that a provision of the federal No Child Left Behind Act of 2001 requires the school district to provide students' names, addresses and home phone numbers to military recruiters when requested.

However, the law also states that schools must notify parents and students that they have the right NOT to be included when the information is released if they choose.

To exercise your legal right to have this information kept private, you should use the form below to notify the high school office that you do not wish this information to be released. Please note that unless you use this "opt out procedure" the school district cannot refuse the military recruiters' requests and you and your student may be contacted by them at home.

To **OPT OUT** of the Military Recruitment Provisions of the NCLB Act, please complete this form and return it to the High School main office by September 15th. You may submit this form in person, by mail, or by your child returning it to the office.

Respectfully,

Mr. Rodney Arthur, Principal
