GOVERNOR'S SUMMER READING CHALLENGE 2022 TOP PERFORMING SCHOOL

June 2023

Dear Students and Parents/Guardians,

Research indicates that the only way students become better readers is by reading. In order to instill a love of reading in our students, we need to encourage our students to read all year long, and summer is an important time for them to read for enjoyment. Reading can fill your adolescent's days with the love of stories and the fascination of factual reading. Therefore, this summer we will offer Shelton's Summer Reading Program.

Students entering Grade 12 will be reading by [Tuesdays with Morrie](#) by Mitch Albom. Please refer to the Summer Reading Letter from the Grade 12 English teachers to access the link to the online version of the book. During the first week of school, students will be required to write an essay specifically related to the text for a quiz grade. While students must read the selected mandated text, we encourage students to read additional books for pleasure over the summer months.

The success of this program depends heavily upon your support as parents and guardians. Our shared commitment will help your students to become critical readers and thinkers while developing a life-long love of reading.

Best Regards,

Kristen Santilli
