Art Walk

Along with touring classrooms, looking at student-created art and bidding on classroom pieces, we are also looking for some talented kids and entrepreneurs to participate in the event. All of you who have been wanting to perform or sell your homemade crafts can sign-up to perform or run a Student Vendor Booth during the Art Walk on May 11th. Participation packets are available in both offices and online. Performers will need to attend practices in order to participate.

Upper Elementary Student Activist Projects

The upper elementary students are working on their student activist projects. They have been asked to look into their heart and pick an issue facing our community, environment, or world then choose a cause, or organization, associated with that issue. They are researching that issue and an organization with which to get involved. You may see some flyers and boxes asking for simple things such as newspaper, used copy or writing paper, old blankets, etc. We appreciate anything you can do to help!
