## 2023-2024 DISTRICT GOALS

1. Ensure a smooth transition for the new superintendent starting in February 2024 so there is minimal impact on students and staff.
2. Further, the implementation of restorative practices throughout the district while maintaining a safe learning environment for students and staff.
3. Continue the implementation of current instructional strategies and initiatives with an emphasis on differentiation which will result in increased academic achievement.
4. Ensure students are given the continued opportunity to participate in nontraditional academic programs, vocational programs, after-school programs, and athletics.
5. Increase the opportunities the students' families and JCCA have to participate in their education.
