Blessed Sacrament Catholic School Mission

As a Roman Catholic school, we are a community of parents, educators, and students who value solid educational principles, opportunities for enrichment, and the development of each child's unique God-given gifts.

We are the primary educational ministry of Blessed Sacrament and St. Joseph parishes, serving children in grades K3-8. We welcome students and their families of all faiths and cultural backgrounds who seek a nurturing, faith-based education in an environment of security and mutual respect.

In the spirit of the Sisters of Saints Cyril and Methodius, who have guided our school since its foundation in 1948, we prepare children academically, spiritually, morally, and socially for an effective future as citizens and servants of God.
