

## Accessing Social-Emotional and Mental Health Supports In Port Chester's Public Schools

In Port Chester's elementary schools, the point of contact to assist families in obtaining social-emotional and mental health supports for children is the school's Community School Coordinator or School Psychologist, depending on the school. Those names and contacts are listed below:

**King Street School:** Ms. Alexandra Martin, 934-8037 [amartin@portchesterschools.org](mailto:amartin@portchesterschools.org)

At Port Chester Middle School and High School, each student is assigned a School Counselor who is the go-to person for student and family support. A child's School Counselor is an expert in servicing student and family needs, including referrals to psychologists, social workers, and other professionals.
