

Marian High School Certificate Program

Percentages will be effective beginning October 2015(PLEASE WATCH DENOMINATION CHANGES)

The following stores are included in our certificate program, effective Oct/Nov/Dec 2015. Orders for retail stores, restaurants, gas stations, etc. included on this page will be filled only one (1) time per week. You will need to have your order in the Development Office by 10:00 a.m. on Friday. We do not keep certificates listed below on hand. You will then have your certificates by Tuesday of the next week.

When ordering certificates from this sheet, check the quantity of certificates you need, and fill in the total dollar figure. At the bottom of the form, there is a space for you to fill in the name to be credited.

When you receive your full order of certificates, you will then receive another form to be filled out the next time certificates are needed. **Please disregard all old forms because percentages and denominations change regularly.** You will be notified of all changes in the program.
