**COMMENTS**

We are busy preparing for our Fall Parent-Student-Teacher Conferences, which take place October 17<sup>th</sup> – 19<sup>th</sup>. These conferences will provide us with an opportunity to share Fall Assessment results with parents, set student goals for the upcoming quarter, and provide parents with a summary Progress Report. This is also an excellent time for teachers to spread our goal of getting all parents involved with Renaissance Learning's Home Connect program for Accelerated Math, Accelerated Reader, and Math Facts in a Flash.

Students are eagerly working on their Continent Studies projects in preparation for our World Faire on Friday, October 26<sup>th</sup>. The Middle School students are studying The Renaissance and are preparing to "wow" the rest of their schoolmates with presentations in their Wax Museum. The K/1's are busy creating a frozen tundra in their classroom to coordinate with their studies of Antarctica. The 4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup> graders are each adopting a country on the beautiful continent of Asia. Students will carry their passports from classroom to classroom as they view artifacts, glean information and sample cultural foods from various parts of our World.

Our 2<sup>nd</sup> and 3<sup>rd</sup> grade families just returned from a beautiful trip to Monterey Bay, participating in specialized labs at the Aquarium, tidepooling on the beaches at Point Lobos, and watching in wonder the migration of whales in the area. The Middle School students are putting the finishing touches of their plans to visit Green Oaks Farm, a working organic farm near Half Moon Bay, where they will work the land, milk goats, and fish for their dinner... truly living off the land and the sea! They are looking forward to this hands-on work on the land, in the true Montessori fashion of "erdkinder".
