Dear Parents & Guardians,

We have had a smooth beginning to our school blending in some new innovations to go along with the rich traditions of the past, to create a positive, Christ-centered educational environment. In prior years, we had begun the registration process in October. At this point in time, we would like to ask our school families of their intention to return to school for September 2023. You do not need to send in registration money with your response. We will begin the full process of registering in January 2023 during Catholic Schools Week. This early response will hold your child's position in the school.

There will be an increase in tuition for the 2023-2024 school year. Our budget process will be starting shortly, and we need to have an accurate accounting of our necessary expenses for the coming school year. We will make you aware of the tuition costs as soon as they are prepared.

In addition, we are looking to expand our scholarship offerings for those families in need. Should you know any businesses, or individual families, who might be interested in contributing to our EITC and OSTC programs please contact Mrs. Anne Houston-Spazianni at [ahouston@stannebethlehem.org](mailto:ahouston@stannebethlehem.org).

Sincerely,

Mr. James Krupka
