June 2023

Dear Parent(s) and/or Guardian(s),

We are excited to kick off Shelton's Summer Reading and Math Program! One of the most important gifts you can give to your child is the joy of reading and developing critical math skills. Shelton Public Schools participates in the Connecticut State Department of Education Governor's Summer Reading Challenge and Shelton's Summer Math Challenge during the summer months.

Your child(ren) will use the calendars to follow the numeracy tasks. In addition, students should complete the summer reading journal - "Find Your Voice". Please return the completed calendars and journal to your child's teacher by **Friday, September 8, 2023**. Use the links below to access the summer reading and math.

[Governor's Reading List](#)
[Summer Reading Journal](#)
[Entering Kindergarten Math](#)
[Entering First Grade Math](#)
[Entering Second Grade Math](#)
[Entering Third Grade Math](#)
[Entering Fourth Grade Math](#)

Students are encouraged to continue using the computer programs over the summer. Students will have access to their accounts until **August 24, 2023**. For math, incoming 1st-3rd graders will have access to their Freckle accounts and incoming 4th graders will have access to their IXL accounts. For reading, all students will have access to their Lexia accounts.

Each school will recognize the students who participated in a celebration during the month of September!

Respectfully,

Kristen Santilli

Director of Curriculum, Instruction, and Data Pre K-12
