COMMENTS

Happy New Year!!! We had a productive intersession on campus and a busy Club Montessori Program that was filled with activities, games, and crafts related to the season. On January 6th, the campus was filled with excitement and joy as the students returned back to school. While walking on campus and visiting classrooms I could sense the appreciation from the students to be back with friends and into a familiar routine of the classroom environment.

On January 9th, our campus held a special **Family Engagement Event** that was very well attended. The presentation was free of charge and focused on **The Adult Plane of Development**. This was a wonderful opportunity for parents to learn from the greatly esteemed Norman Lorenz, Med and co-founder of the California Montessori Project and CMP, AR's very own Teresa Lyday-Selby, MEd and respected teacher.
