TOTALS	
IEP:	31
SST:	3
ELL:	9
SAI:	23
SPEECH:	20
OT:	4
Behavior:	3

Additional Information:

The Elk Grove Campus at Bradshaw hosted the Annual Science Fair and Breakfast this year! It was exciting to see how many families from both sites participated in the fun day. The student's projects were inspiring and it was exciting to see how many families were able to join us for a Continental Breakfast in Bowman Hall. Donations were accepted during this event and \$618 was raised; 20% which automatically goes into our Playground Fund.

As teachers and students prepare for the upcoming parent/teacher conferences, it is hard to believe that we recently celebrated our 100th day of school. Students and teachers participated in many 100th Day activities; including, but not limited to journal writing, Me in 100 Years art projects, and coming to school as themselves at 100 years of age.

Our third grade students recently went back in time to visit Rhodes School, while our upper elementary students went on a Mission to Mars at the Discovery Museum. Students (and teachers) are also excited about the upcoming 5th grade Camp Sea Lab fieldtrip at the end of the month. This is our second year scheduling this fieldtrip, and it is highly anticipated.

As with every month, it is always exciting to reflect on all that we have accomplished and our plans for the future.
