COMMENTS:

February is the month that our WASC/AMS visiting teams will be coming to visit! We have been heartily preparing and we cannot wait to show off our beautiful, prepared learning environments. In February our 9-12 classrooms are heading to Coloma as part of their California history studies. The 100th day of school falls on February 3rd, and that is always such a fun day for our youngest learning to explore what the number 100 looks like in actual representation. During the storm in January, our gorgeous oak tree in the Primary Grotto fell down. It was a huge loss to our campus. The San Juan Unified School District immediately came out, went into action, and chopped up the tree. With the remaining logs, one of our Primary grandparents will be taking the logs and turning them into wonderful tables and chairs for our students. This type of situation is a good reminder that even when there is hardship, there will always follow in its wake a way to rebuild and renew.
