HAPPY HOLIDAYS FROM THE LEVEE GREEN PTO

As you all may know we are not allowed to have classroom parties this year, but that doesn't mean the kids can't still have fun!

So this year we want to send a craft home for some at home holiday fun!!!

It's because of your support that the LG PTO is able to gift every student a paint at home ceramic holiday project! THANK YOU!

Please choose ONE from the above crafts for your student and be sure to return the form below no later than November 25, 2020!

For any questions please contact Nicole Cortazzo at niccortazzo@gmail.com
