

# Accelerated Reader

How can it help my child learn  
and love to read?

# What is Accelerated Reader?

- Accelerated Reader is a part of Renaissance Place, a web-based software designed to assess both reading and math knowledge and provide practice and feedback for both.

# What is STAR Reading?

- STAR Reading is one of the assessments that we use with students to get a rough estimate of their reading level.
- Students read sentences and passages with missing words and must choose the word that best fits in the blank.
- The test is adaptive: if the student is doing well, the text gets harder. If they are not, the sentences get easier.

# What books should my child choose?

- Use AR Book Finder ([arbookfind.com](http://arbookfind.com)) to find just the right fit for your student!
- [arbookfinder.com](http://arbookfinder.com) doesn't work!

# What do the quizzes look like?

- Quizzes are either 5 or 10 questions long.
- They are multiple choice.
- Students are asked to evaluate the book after quizzing.

# What is the TOPS Report?

- The TOPS report prints automatically after a student has taken a quiz
- Once a teacher sets goals with the student, the report will show progress towards goals.

# How can I best support my child?

- Read to and with your child! Children are welcome to take quizzes on books with which they've needed help.
- Support your child's independent reading! Know what level your child is on (ask the teacher if you're unsure) and feed them high-quality books about topics that interest them!
- Check their progress on Home Connect – accessible from CMP's website.
