Happenings on the CMP Carmichael Campus:

The year is at an end, and we have many fond memories from all of our events and activities at the campus. We have all bonded as a community, even with our growth. Our new families are so thrilled to be with CMP. As I read through the report cards, I was pleased to see that the students have made great progress overall both academically as well as socially.

We will say farewell to our 8th graders, several of which have been with us since Kindergarten. It is a bitter-sweet time for us all.

Many classrooms will be moved or set up, as will the office, over the summer. Our July will be very busy getting things ready for August 14th. The west side of the 200 wing, for the Tk/K classrooms, is being painted and having flooring put in currently. We hope that the east side will be completed before school begins to get the office and special education classrooms moved and set up. Plan B is in place if we will need to move after the start of school. Fortunately we can continue in our current office and special education classrooms if necessary, and then move over a long weekend.

We are adding 1 Tk/K classroom, as well as 4 lower elementary, 1 upper elementary, and 1 middle school room. Our enrollment for next year will be approximately 480 students.

2013-14, here we come!
